Docket No. R2000-1

NOTICE OF UNITED STATES POSTAL SERVICE
OF FILING OF LIBRARY REFERENCE USPS-LR-I-176

The United States Postal Service hereby gives notice that it is filing today the following library reference:

USPS-LR-I-176 Materials Provided in Response to UPS/USPS-T10-2 (Kingsley)

Copies are also on file with the Postal Service library.

This is both a category 3 and 4 library reference consisting of materials including a United States Postal Service Office of Inspector General Audit, and various Postal Service memoranda, forms and Postal Bulletin notices concerning plant-verified drop shipments. The material comes from the Office of Inspector General and various Postal Service documentary sources. Because these are pre-existing documents, there is no electronic version of the library reference.

It should also be noted that the Office of Inspector General Audit is being furnished with minor redactions. The Office of Inspector General redacted the identities of certain Office of Inspector General employees and the Postal Service redacted the identity of a mailer and the location of several of that mailer's facilities.
